Recommendation

In the opinion of the Directors, each of the Resolutions to be proposed at the Annual General Meeting and set out in the Notice is in the best interests of the Company and shareholders as a whole. Accordingly, the Board recommends that shareholders vote in favour of all Resolutions at the Annual General Meeting, as each Director intends to do in respect of their own beneficial holdings of common shares in the Company, which amount to approximately 0.55 per cent. of the issued common shares of the Company.

Yours faithfully

Executive Chairman

EXPLANATION OF RESOLUTIONS

Resolutions 1 – 12 (inclusive) are proposed as ordinary resolutions. For each of these to be passed, more than half of the votes cast must be in favour of the relevant Resolution. Resolutions 13 and 14 are proposed as special resolutions. For each of these to be passed, at least three quarters of the votes cast must be in favour of the Resolution.

An explanation of each of the Resolutions is set out below:

Resolution 1 – Annual Report and Accounts

Resolution is proposed to receive the Company's audited consolidated financial statements for the financial period ended 31 December 2020.

Resolutions 2 to 9 – Election of Directors

Resolutions 2 to 9 are to approve the election of the Directors on the Board. In accordance with the Company's Bye-laws and the provisions of the UK Corporate Governance Code published by the UK Financial Reporting Council (the "**Code**"), all the Directors of the Company are submitting themselves for election at the Annual General Meeting.

The Board believes that its members offer an appropriate balance of knowledge and skills. In the Board's view, each Director since joining the Company at our formation, prior to our IPO or shortly thereafter has made an effective commitment to the deliberations of the Board, demonstrated a commitment to their role, and continues to be important for the Company's evolution and long-term sustainable success. The Board nomination committee, which considers the balance of the Board and the mix of skills, knowledge and experience of its members, has also considered and recommends to the Board the appointment of all of the Directors of the Company standing for election. The Executive Chairman confirms that the Non-Executive Directors demonstrate effective performance and commitment to the role and have sufficient time to meet their responsibilities. Please refer to pages 21 – 23 of the 2020 Annual Report and Accounts for short biographies of each of the nominees.

Further information about the Directors, including their biographies, is set out in the accompanying 2020 Annual Report and Accounts. The Board considers all the Non-Executive Directors to be independent within the meaning of the Code.

Resolutions 10 and 11 – Auditors

Resolution 10 proposes the re-appointment of KPMG Audit Limited as auditors of the Company until the conclusion of the 2022 AGM. The Company is required to appoint auditors at every general meeting of the Company at which accounts are presented to shareholders. KPMG Audit Limited were appointed by the Board in December 2020 and have advised of its willingness to stand for re-appointment. It is typical practice for a company's directors to be authorised to agree how much the auditors should be paid, and Resolution 11 grants this authority to the Directors.

Resolution 12 – Directors' Authority to Allot Shares

Pursuant to Bye-law 2.3, Resolution 12 is proposed to grant the Directors' power to allot Relevant Securities up to a maximum nominal amount of US\$550,799. This represents 55,079,999 of the Company's common shares US\$0.01 each ("**Common Shares**"), which is approximately one third of the Company's issued share capital as at 13 April 2021, (being the latest practicable date prior to the publication of this Notice).

In accordance with The Investment Association's Share Capital Management Guidelines (the "**Guidelines**"), Resolution 12(b) seeks to grant the Directors authority to allot Relevant Securities in connection with a Rights Issue in favour of existing shareholders up to an aggregate nominal value of US\$550,799 (representing 55,079,999 Common Shares). This amount represents one third of the Company's issued share capital as at 13 April 2021, (being the latest practicable date prior to the publication of this Notice).

The authorities sought under paragraphs (a) and (b) of this Resolution will expire at the conclusion of the 2022 AGM, or at 6.00 p.m. on 31 August 2022, whichever is sooner. The Directors have no present intention of exercising either of the authorities under this Resolution, but the Board wishes to ensure that the Company has maximum flexibility in managing the financial resources of the Company.

As at the date of this Notice, no shares are held by the Company in treasury.

Resolution 13 Disapplication of Pre-emption Rights

Pursuant to Bye-law 2.4, the Board is seeking shareholders' authorisation for the Directors to allot Equity Securities up to an aggregate nominal value of US\$82,619 on a non-pre-emptive and unrestricted basis, such amount being approximately 5 per cent of the Company's issued share capital as at the date of this Notice.

The Bye-laws require that, unless shareholders resolve otherwise, any Equity Securities allotted for cash must be offered to existing holders of Relevant Shares or Relevant Employee Shares (each as defined in Bye-law 2.3(g)) pro rata to their existing shareholdings. The Bye-laws permit this requirement to be disapplied and the purpose of these Resolutions is to authorise the Board to allot Equity Securities as if such provisions did not apply in certain circumstances, when the Board considers that to do so would be in the best interests of the Company.

The Board notes that the total amount of the pre-emption disapplication for which authority is requested is in line the levels that are considered routine by UK investors and investor groups, including The Investment Association and the UK Pre-Emption Group and as such recommends that shareholders vote in favour of Resolution, which would be in the interests of a company and its owners.

In accordance with the Pre-Emption Group's Statement of Principles, the Directors confirm that they do not intend to issue Common Shares for cash representing more than 7.5 per cent. of the Company's issued share capital in any rolling three year period without prior consultation with shareholders.

Were the Board to exercise this authority, it intends to continue its consultation and dialogue with shareholders and make disclosures in the announcement regarding any Common Share issue and in

the subsequent annual report and accounts, each as contemplated in the Statement of Principles that was published by the UK Pre-Emption Group in 2015.

Unless otherwise renewed or revoked by the shareholders in general meeting, these authorities will expire at the conclusion of the 2022 AGM or at 6.00 p.m. on 31 August 2022, whichever is sooner.

Resolution 14 – Purchase of own Common Shares

The Board is seeking shareholders' approval to generally and unconditionally authorise the Directors to make one or more market purchases of the issued Common Shares of the Company up to an aggregate nominal value of US\$165,239, at a price of not less than the nominal value of the Common Shares (exclusive of expenses payable by the Company).

Pursuant to the Bye-laws, no purchase can be made if the Board determines that it would result in a non-de minimis adverse tax, legal or regulatory consequence to the Company, any of its subsidiaries or any holder of shares or its affiliates.

The Company cannot by law (in respect of the par value of the Common Shares to be purchased) purchase its own Common Shares except out of:

- (a) the capital paid up thereon; or
- (b) the funds of the Company which would otherwise be available for dividend payment or distribution; or
- (c) the proceeds of a fresh issue of Common Shares made for the purposes of the repurchase, and

the premium, if any, payable on the repurchase is provided for out of funds of the Company which would otherwise be available for dividend payment or distribution or out of the Company's share premium account before the repurchase date.

The authority will expire at the conclusion of the 2022 AGM or at 6.00 p.m. on 31 August 2022, whichever is sooner.

The Directors have no present intention of exercising the authority to purchase the Company's Common Shares but will keep the matter under review, taking into account the financial resources of the Company, the Company's share price and future funding opportunities. The Directors will exercise this authority only when to do so would be in the best interests of the Company and of its shareholders generally, and could be expected to result in an increase in earnings per share of the Company. Any purchases of Common Shares would be by means of market purchase through the London Stock Exchange.

Any Common Shares the Company buys under this authority may either be cancelled or held in treasury. Treasury shares can be re-sold for cash, cancelled or used for the purposes of the Company's Management Promote Scheme or any future approved employee share schemes. No dividends are paid on shares whilst held in treasury and no voting rights attach to treasury shares. The Directors believe that it is desirable for the Company to have this choice as holding the purchased shares as treasury shares would give the Company the ability to re-sell or transfer them

in the future and so provide the Company with additional flexibility in the management of its capital base.

As at the date of this document, there are no options to subscribe for Common Shares in the Company.

CREST – Depositary Interests

9. Holders of Depositary Interests (the “**DI Holders**”) are invited to attend the Meeting but are not entitled to vote at the Meeting. For their votes to be counted, DI Holders must either:
 - (a) submit a CREST Voting Instruction to the Company’s agent in accordance with the instructions below; or
 - (b) complete, sign and return the enclosed Form of Instruction to the Depositary.
10. DI Holders who are CREST members and who wish to issue an instruction through the CREST electronic voting appointment service may do so by using the procedures described in the CREST Manual (available from <https://my.euroclear.com>). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting services provider(s), who will be able to take the appropriate action on their behalf.
11. In order for instructions made using the CREST service to be valid, the appropriate CREST message (a CREST Voting Instruction) must be properly authenticated in accordance with the specifications of Euroclear UK & Ireland Limited (“**EUI**”) and must contain the information required for such instructions, as described in the CREST Manual.

12. The message, regardless of whether it relates to the voting instruction or to an amendment to the instruction given to the UK Depository must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) no later than 3:00p.m. on 10 May 2021. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the CREST Voting Instruction by the CREST applications host) from which the issuer's agent is able to retrieve the CREST Voting Instruction by enquiry to CREST in the manner prescribed by CREST.
13. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the transmission of CREST Voting Instructions. It is the responsibility of each CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that the CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a CREST Voting Instruction is transmitted by means of the CREST service by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
14. DI Holders cannot appoint the Chairman as their proxy. DI Holders may appoint Computershare as their proxy via CREST and Computershare and will make arrangements to vote such underlying DI Holder's shares according to the DI Holder's instructions in the manner prescribed by CREST.
15. The Company may treat as invalid a CREST Voting Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Appointment of proxies by joint holders

16. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Terminating your proxy appointment

17. Shareholders may terminate a proxy instruction but to do so you will need to inform the Company in writing by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Computershare Investor Services (Bermuda) Limited] at c/o Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY.

18. As at 13 April 2021, the latest practicable date prior to the date of this Notice, the Company's issued share capital consisted of 165,239,997 Common Shares, carrying one

vote each and, therefore, the total number of voting rights in the Company as at 13 April 2021 was 165,239,997.

19. It is proposed that all votes on the Resolutions at the Annual General Meeting will be taken by way of a poll rather than on a show of hands. The Company considers that a poll is more representative of shareholders' voting intentions because votes are counted according to the number of shares held and all votes tendered are taken into account. The results of the voting will be announced through a Regulatory Information Service and will be published on our website <https://conduitreinsurance.com/> as soon as reasonably practicable thereafter.
